Memo to Counsel Re: Thomas H. Keeling v. Kronick, Moskovitz, Tiedemann & Girard, et al.  
Civil No. JFM-00-133

Dear Counsel:

Enclosed please find a copy of an opinion and order I am entering today denying plaintiff's motion to remand.

This will confirm the briefing schedule set at last Friday's hearing on defendants' anticipated motion to dismiss:

May 19, 2000                      Deadline for defendants to file motion

June 16, 2000                      Deadline for plaintiff to opposition

June 30, 2000                      Deadline for defendants to file reply

If you need reasonable extensions of any of these deadlines, I will grant them.

Very truly yours,

J. Frederick Motz  
United States District Judge
